

Control Your Electric and Natural Gas Utility Costs

The Wheeling/Prospect Heights Area Chamber of Commerce has selected Vanguard Energy Services L.L.C. as a chamber partner and energy supplier for both electricity and natural gas!

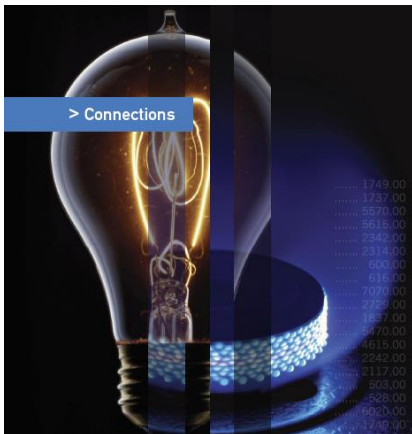

The Wheeling/Prospect Heights Board has elected to partner with Vanguard Energy Services as the energy supplier for Chamber members. Vanguard has clearly demonstrated that their programs are specifically designed to help businesses control their energy cost with the overall objective of saving money for the Chamber members.

Vanguard Energy Services, L.L.C. is a regionally focused full service certified electric and natural gas provider dedicated to serving Midwestern commercial and industrial clientele.

Take advantage of the lowest electric and natural gas prices available!

Vanguard's programs and services have been tailored to meet the specific requirements of Wheeling/Prospect Heights Chamber members with NO up-front costs or contract fees.

Energy Management programs:
